Subject: **COLUMBIA GENERATING STATION, DOCKET NO. 50-397
60-DAY RESPONSE TO NRC BULLETIN 2007-01**

Reference: Letter dated December 12, 2007, NRC to Energy Northwest, "NRC Bulletin 2007-01: Security Officer Attentiveness"

Dear Sir or Madam:

The referenced Bulletin requested addressees to respond within 60 days providing information regarding administrative programs and managerial programs and controls established to prevent, identify, and correct security personnel inattentiveness and, especially complicity, and failures to implement the Behavioral Observation Program (BOP) by individuals among licensee security personnel including security contractors and subcontractors.

The Attachment to this letter contains Energy Northwest's response to the referenced NRC Bulletin. The Attachment contains security-related information to be withheld from public disclosure pursuant to 10 CFR 2.390. There are no new commitments contained in this response and Energy Northwest is in compliance with all applicable security regulations. If you have any questions or require additional information, please contact Mr. GV Cullen at (509) 377-6105.

I declare under penalty of perjury that the foregoing is true and correct. Executed on the date of this letter.

Respectfully,

SK Gambhir
Vice President, Technical Services
