RE: Request for Amendment on Nuclear License
#52-2528301

This is to inform that Dr. Bartolo Santiago has become part of our nuclear medical staff effective December 15, 2007. His License #is 13526. He also works at the Nuclear Medicine Laboratory in the VA Hospital in Puerto Rico; therefore we understand that he has comply with all the requirements that are necessary for the NRC.

We have copy of all his credentials; please let us know if you need any of these documents.

Sincerely,

Carlos Jiménez Marchán
Radiation Safety Office
