OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

Template = SECY-043

SECY-02

Comment Info: =====

General Comment: It is insane to even consider the possibility of endangering our country's future and the safety of our children's environment for the benefit of foreign powers. We are the recipients of enough "human waste" from other countries as it is. If this is tolerated it will be grounds for reckless endangerment of all minor's living in or traveling to the effected areas not to mention downright treason.
