OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

Dear Staff,

As citizens of the state of Utah, We highly object to Energy-Solutions Inc. proposal to import low-level radioactive waste from Italy. Our state is NOT a dumping ground for others toxic waste. Our lives and health are more important than Energy-Solutions making money over our dead and dying bodies! We protest this plan. We do Not want our beautiful state desecrated.

Sincerely,

Kathy Elliott
