Yesterday, in the local Charleston Post and Courier, there was an article about a proposal to bring low level nuclear waste in from Italy (!!!) for transshipment across the US to a storage facility in Utah ... we are against such a proposal and have called our Senators, Graham and Demint, and our Congressman Brown to express our objections and concerns. We want to be absolutely sure that a public hearing on this proposal will be held in the Charleston area which, we understand, is required by statute. We want to be informed of the date of this public hearing so we can attend to get further information and express our concerns. Thank you.. Robert C. and Marylou Ielfield, tel. 843--873-2456, 133 Sequoia Drive, Summerville, SC 29485.
