Secretary
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555-0001

Attn: Rulemaking and Adjudication Staff

Dear Decision Makers:

Please stop EnergySolutions' plan to store radioactive waste in Utah making Utah and the United States a dumping ground.

Every country and state should be responsible for their own waste. Thus those benefiting from decisions leading to the need for waste disposal are also responsible for storing it.

Sincerely,

Darlene Gubler
