Subject: No foreign waste in U.S. let alone in Utah

To whom it may concern

In regards to bringing Nuclear waste from Italy.

I agree that with the rising cost of fuel Nuclear Power is an good alternative and we will take care of our own waste.

But I disagree with importing other countries waste in any shape or form especially nuclear waste even low levels. They don't want it so why do we.

I do not want the US, let alone Utah to be known as the Global dumping rounds.

Say NO to the US becoming the worlds dumping ground.
