Subject:	Nuclear waste in Utah from Italy

To whom it may concern,

Please do not allow nuclear waste from Italy to enter the US or Utah. I believe it would be a great mistake and put the citizens of our country at risk with no benefit except to the company storing the waste, Energy Solutions. Please don't let it in. If you do you'll hear more from me, and I'll tell everyone I know to fight it as well. You have the trust of the American public, please do not abuse this power. Keep us safe and let Italy find their own dumping site in their own country.

Sincerely
Adam Hunsaker
