Dear Bob:

Transmitted herewith is a copy of the LLL compiled report concerning the Wilmington, N.C., extortion incident. This report comprises a comprehensive review of the activities of the DOE-based credibility assessment coordinating center in relation to that case.

Please note that, on Page 65 of the enclosure, the continuing problem of credibility assessment communications is identified. The Office of Safeguards and Security is presently considering a proposal associated with improving upon the credibility assessment system.

I will appreciate your communicating the contents of this report to appropriate offices and/or individuals requiring access to the details of the report within your organization.

Sincerely,

[Signature]

Martin J. Dowd
Assistant Director for Security Affairs
Office of Safeguards and Security
