Office of the Secretary  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555

Dear Sir,

Re; Attention: Rulemaking and Adjudications  
Reference Energy Solutions Import License Appl. IW023

As a resident of Tennessee, I am protesting the plan to import Italian nuclear waste, process it in Tennessee and then dispose of it in Utah.

The U.S. has enough nuclear waste to dispose of without importing more!

Lets keep the U.S. facilities for our own use!

Sincerely,

*Glenn E. Smith*
