Dear Professor Elegba:

Thank you for your invitation to speak on the topic of licensing conditions for power reactor operations at the "Second National Seminar on Nuclear Power Programme: Legislative and Regulatory Requirements," scheduled to be held March 17-20, 2008, in Abuja, Nigeria. Unfortunately, I will not be able to attend the seminar due to previously scheduled engagements. I regret any inconvenience this may cause you. I look forward to future opportunities to meet with you and discuss issues of mutual interest with members of the Nigerian Nuclear Regulatory Authority. I want to extend to you my best wishes on a successful conference.

Please accept my very best regards.

Sincerely,
