Re: Waste Characterization and Expanded Groundwater Investigation Report
Tuba City Landfill Closure

Dear Mr. Nutongla:

In accordance with the Hopi Tribe's contract and scope of work with Daniel B. Stephens & Associates, Inc. (DBS&A), dated January 23, 2007, DBS&A is providing the enclosed report on the waste characterization and expanded groundwater investigation completed at the Tuba City Landfill. The report is being provided to the Hopi Tribe, the Villages of Moencopi and Upper Moenkopi, the U.S. Bureau of Indian Affairs (BIA), and the list of stakeholders and organizations shown on the attached distribution list.

We appreciate the opportunity to work with the Hopi Tribe on the Tuba City Landfill closure. If you have any comments or questions regarding the report, or if you would like to schedule a meeting or conference call to discuss project issues in more detail, please call me at (505) 822-9400.

Sincerely,

DANIEL B. STEPHENS & ASSOCIATES, INC.
