Re: Materials License No. 21-05432-04

This letter is to request the addition of Dr. John Dahlin to our license for 10 CFR 35.100, 35.200 and 35.300. His Michigan medical license number is 4301091489. A copy of his ABNM certificate is enclosed.

The Radiation Safety Committee and the Assistant Administrator, Mr. David Graser, who will be the new administrative representative on the Radiation Safety Committee, approved this action. Please expedite this request as we have recently lost our entire Radiology medical staff and need approved coverage as soon as possible. In that regard, also please delete Drs. Min, Morley, Morton and Henry from our license.

If you have further questions, please contact Shan Marlette, R.S.O. at (906) 225-3102 or fax number (906) 225-3772.

Sincerely,

A. Gary Muller, FACHE
