Subject: Additional Information Regarding License Amendment

Attention: Loren Hueter

Dear Mr. Hueter:

Regarding the recent requested amendment for our license # 21-02802-03 that includes the removal of Mohan Chelladurai, Ph.D. as an authorized user for laboratory research (Item 6 - G through M), we attest that no byproduct material was received, acquired or possessed for this authorized use and that no facilities require decommissioning because of this authorized use.

Please contact James E. Carey, M.S. (1-734-6623197) if there are any further questions about this request.

Thank-you for your assistance.

Sincerely,

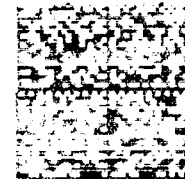

Stephanie Brady
