I Todd R Radel (RSO) of Pennsy Supply, Inc. (license # 37-30232-01) would like to request an amendment to our license with the following changes. I would like to add a new permanent storage location at our McMinn's facility. The address for this location is **McMinn's Asphalt 1061 Manheim Pike, Lancaster PA 17604**. Pennsy Supply has purchased McMinn's and we would like to add them to our license eventually drop there's. I would also like to add Dennis Martin as a radiation safety officer on the license to oversee the licensed material and all related activities at our McMinn's location.
