Revision of PVNGS Emergency Plan Implementing Procedures
(EIPs)

Pursuant to 10 CFR 50.54(q), Arizona Public Service Company (APS) is forwarding revisions to Emergency Plan Implementing Procedures (EIPs) EIP-01, Revision 24, EIP-07, Revision 17, EIP-09, Revision 11, and EIP-99, Revision 18. The revisions to the EIPs became effective on February 8, 2008. APS has evaluated the changes incorporated in the revised EIPs and has determined the changes do not decrease the effectiveness of the Emergency Plan and the Plan continues to comply with the standards of 10 CFR 50.47(b) and the requirements of Appendix E to 10 CFR 50.

Certain EIPs contain information considered private or proprietary (i.e., names and telephone numbers for use during an emergency) which have been redacted in accordance with NRC Generic Letter No. 81-27. It is APS's position that the attached enclosures, while not safeguards information, contain sensitive unclassified information that should be exempt from public disclosure pursuant to 10 CFR 2.390(d)(1). The pages which contain the sensitive unclassified information have been identified in accordance with 10 CFR 2.390(b)(1)(i)(A), "withhold from public disclosure under 10 CFR 2.390."

No commitments are being made to the NRC by this letter.
