RE: License Number 37-02136-01

Dear Sir or Madam:

We would like to make a change to our radioactive materials license. We are removing Richard Shaddock, M.D. as an authorized user on our license. With Dr. Shaddock's departure, we will discontinue active use of materials listed in Item 6, letters I through M. We do possess a small amount of this material as radioactive waste and ask that authorization for this material be transferred to Margaret Blackwood, Radiation Safety Officer, pending disposal.

If you have any questions, please contact me at (412) 578-4250 or by email at msblackw@wpahs.org.

Thank you for your attention in this matter.

Sincerely,

Margaret S. Blackwood
