RE: Termination Request
License 37-31142-01, Docket 03037179
Navarro & Wright Consulting Engineers, Inc.

Dear Team:

Per my discussion with Mr. Mark Roberts on February 29, 2008 we discussed that we had intended to obtain a soil gauge for use in construction inspection of highway projects. We obtained a license, but never obtained the equipment or material.

We request that our license be terminated, license 37-31142-01, docket 03037179, as we never had the licensed material intended to be used for roadway work.

Please feel free to call with any questions at (717) 441-2216.

Sincerely,

Charles E. Wright
Vice President
