OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

Dear Secretary,

Michael Dunn Center is a private, not-for-profit social service agency founded in 1971 in Roane County, Tennessee. Our mission is to provide education, training and housing to 300 children and adults from Roane and six surrounding counties.

For many years we have had a close partnership with Energy Solutions. Our main campus is directly across the street from one of their operations. We have several on-going contracts with Energy Solutions to perform a variety of assembly and packaging operations utilizing our workforce of adults with disabilities. They participate in our annual golf outing and other fund raisers and a member of their management team serves on our volunteer board of directors.

Energy Solutions has not only a positive reputation with us but with the Roane and Anderson County community. They are a major employer known for their integrity, safety record and community support. We are very comfortable with them as a neighbor and confident in their ability to safely and with compliance process materials.

Sincerely,

Mike McElhinney, President and CEO, Michael Dunn Center
