ATTENTION: Rule making and adjudication Staff

Dear Sir:

Your article in the Tribune dated February 7, 2008 about Italy dumping their nuclear waste in our state has alerted and made several of us aware that we need to step forward and voice our feelings. No, no, no, we certainly do not want our state to be a place for nuclear waste from any where now or in the future. Do everything necessary to stop this move.

Thank you,

  
J. L. Taylor
