Subject: No more nuclear waste

DOCKETED
USNRC

March 5, 2008 (4:00pm)

OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

Brenda Gaines
93706 Swamp Creek Road
Blachly, Oregon 97412

I say NO to License Applications Nos. IW023 and XW013 (Federal Register Volume 73, Number 28, 2/11/08)

I oppose the importing of massive amounts of nuclear waste from foreign countries. I oppose the burning, melting, transporting and dumping of nuclear waste in this country.

You haven't cleaned up Hanford.

The corporate contractors who run these nuclear facilities do not care about American workers or American environmental laws. They are thieves and murderers.

Don't you people live in this country?

Is the NRC and the DOE run by foreigners?

I don't understand why you want to sicken and kill our land and our people. You must be traitors, without morals, or else you own shares in this company, EnergySolutions (or EnergyPollutions) that is trying to import poison!

With fury,
Brenda.
