To whom it may concern....

I am distressed that you would even consider importing nuclear waste when we have such an incredible problem with our own US nuclear waste. I am even more up set since I live downwind from Tenn. in the state of Alabama. I strongly say NO to the License Application Nos. IW023 and XW013 (Federal Register Volume 73 # 28. I will be writing my congressman Senator Shelby and Gov Riley to urge them to say NO!!!! Do we want another Love Canal.....Sincerely, Emily Greene 1289 CR 72 Lot 99 Mentone, Alabama, 35984
