Dear Sir,

This is a non-commercial request, under the provisions of the Freedom of Information Act.

Sir, I respectfully request a copy of all documents pertaining to Project NERVA, from the start of the program to the final cancellation. I would appreciate any and all information and photos concerning the design and development of the NERVA prototypes engines, and information on possible uses of the technology for space exploration.

I also will accept and pay all charges up to twenty-five (\$25) for the requested material. My fee status category is non-commercial, and is requested for not-for-profit use. Any amount over this, please contact me at either [redacted] or by the postal mailing address above.

Thank you very much for your time, and I look forward to your response.

Sincerely,

Kristopher Hull.
