Subject: NO to License Applications Nos. IW023 and XW013

Dear Sir/Madam,

I am writing to urge you to strenuously oppose the License Applications Nos. IW023 and XW013 (Federal Register Volume 73, Number 28, 2/11/08).

As a researcher who has visited the Dept. of Energy sites at Hanford, WA, Portsmouth, OH, Paducah, KY and the low level radioactive disposal facility in Carlsbad, NM, I have seen the hazards of nuclear waste and believe we certainly do not need any more from Europe. We have plenty of our own that we are mis-handling. Please do not allow these license applications to proceed.

Thank you,
