JUST SAY NO TO ITALY! We are already becoming a dumping ground for our country. We don't need to become a dumping ground for the world just so that someone can make an extra buck. We deserve a safe place to live and so do the generations after us. Once the flood gate is open to waste from other countries, we'll never be able to stop the flow. Please say no. Protect the people of America. Thank you for your time. KSkipps
