Subject: Italian Nuclear Waste--NO

Dear Atomic Regulatory Commission,

We in Utah do NOT want any nuclear waste from abroad dumped here. We are not a disposal site. We are not a dump site. We do not want this. We also do not want nuclear waste from other areas of the US dumped here either. No. No. No. This is a bad idea. We should not be the world's disposal site.

Please do not allow foreign countries and/or companies to transport their nuclear waste to the US anywhere.

Sincerely,
Pam & Quent Baker
