Dear Ms Vietti-Cook

Please say No to the license application Nos. IWO23 and XWO13 (Federal Register Volume 73, Number 28. I don't want anyone else's nuclear waste brought in to my country and neither do my children and their children who would be having to deal with it still. We have enough of our own waste here. This would fill up existing disposal capacity here and open the door for foreign waste to come in from everywhere.
