Dear Sir or Madam:

Jay County Hospital would like to amend its NRC Byproduct Materials License, number 13-00951-03, to add Nathan Strabala, M.D. and Catherine Moran, M.D. as Authorized Users of materials licensed under 10 CFR 35.100, 10 CFR 35.200. Drs. Strabala and Moran have recently been listed as Authorized Users on Ball Memorial Hospital's USNRC Byproduct Materials License, Number 13-00951-03.

In addition, we request that the following Authorized Users be removed from our license as they are no longer practicing at our facility:

Jay M. Veenendaal, M.D.
David B. Gudkese, M.D.
Charles J. Leipart, M.D.
William Bechtel, M.D.
Timothy J. Carmody, M.D.
Lydia Delaney-Sathy, M.D.
Richard G. Huss, M.D.
Charles J. Liepart, M.D. (listed a second time on license)
William Mason, M.D.
Douglas Silin, M.D.
Christopher J. Hollon, M.D.
Frank J. Conte, M.D.
Nipendra Devanath, M.D.
John D. Hubbard, M.D.

If you have any questions concerning this license amendment, please contact our nuclear medicine physicist, Mr. Patrick Byrne, DABR, CHP, at 877-317-5811.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Joe Johnston".
