**To:** Secy  
**Subject:** Definitely a no to ANY (emphasis added) nuclear waste

I live in the beautiful, healthy state of Idaho. Mark my word, if the NRC does **anything** to increase the nuclear risks to my family (e.g. expand Hanford or start accepting waste from other countries), there will be a certain class-action lawsuit.

I refuse to allow corporate Amerika to use Idaho as a toilet so they might profit financially!

Dick Artley
