Address for objections to ship Nuclear waste to Utah:

U.S Nuclear Regulatory Commission

Washington DC 20555-0001

Attention: Rulemaking & Adjudication Staff

I OBJECT STRONGLY to having Nuclear Waste brought into the US from any source. We think it should be stored where it is used.

DO NOT bring any nuclear waste from Italy as Energy Solutions Co. is trying to get approval to do. We do NOT want to be the "dumping ground" for the world!!!
