Dear Mr. Wunder:

I am having a difficult time locating the November 16, 2007 letter from NRC staff to South Texas Nuclear Operating Company referred to in the second paragraph of the NRC's November 29 letter to SNTOPC. Could you please send me a copy of this letter? Shouldn't it, and other similar documents, be in the reactor license application for South Texas on the NRC's website?

Thank you,

Michael Mariotte
