Subject: 20,000 tons of nuclear waste to be imported to US from Italy.

USNRC

Commissioners,

I am opposed to importing nuclear waste to the USA.

I pay my taxes and expect that the minions of the US government will protect me from dumping, particularly nuclear dumping, in any form or manner. I consider your allowing nuclear waste to be dumped in the USA an offense against good sense, morality and your requirements under the Charter of the Nuclear Regulatory Commission which states 9 times in the document to protect lives!

Respectfully submitted,

Marvin I. Lewis
