**Subject:** Italian Waste Disposal in Utah/US

Dear Sir/Madam:

I am writing to express my strong opposition to the proposal that would allow Italian waste disposal in Utah, or the US for that matter.

I write as a concerned citizen and mother of two young children. I find this very concerning on many levels. We need to take care of our already polluted country and water supply, focus more on cleaning up what we are doing here and not allow more waste to be brought here.

Doesn't anyone care about the generations to come? What are we doing now that will negatively impact the health and well being of our children and their children? I shudder to think.
