Attention: Mr. A. Abreu, Manager, Adm. Services

Gentlemen:

Confirming your discussion with S. J. Braiden on February 5, 1969, an inspection of nuclear materials safeguards control activities will be conducted at Whittaker Corporation, Nuclear Metals Division by District I Safeguards Office on February 25 and 26, 1969.

The inspection will cover the period January 31, 1967 through February 28, 1969 and will consist of a comprehensive examination of all phases of nuclear material control, including records, losses and loss mechanism.

Should you have any questions regarding this inspection, do not hesitate to contact me.

Sincerely yours,

Walter G. Martin, Director  
Safeguards Office  
District I
