Subject: Opposition to the NRC

Hello:

My company is the Western Coalition for Sustainable Living. We are officially requesting to the NRC to reconsider its efforts to allow uranium mining and other nuclear power activities in the West.

I want you to know that I am a conservative and a Christian, and that not all people who are opposed to nuclear power are activists.

My research about nuclear power has led me to conclude that the Western United States doesn't need any more nuclear power plants or mining activities. And that such activities are harmful to people and the environment.

Please pray before everything you do at the NRC, and we will pray for you, too.

Thank you,
Douglas Stambler
