USNRC

TO WHOM IT MY CONCERN:

March 17, 2008 (3:30pm)

OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

STOP THIS MADNESS —

JAN, SHOULD NOT BECOME A DUMPING GROUND FOR
TOXIC WASTE

THE N.R.C. NEEDS TO TAKE OF THE PEOPLE
OF THE UNITED STATES OF AMERICA FIRST AND FOREMOST.

I BELIEVE THAT ANY COUNTRY THAT HAS THE
TECHNOLOGICAL CAPABILITY OF PRODUCING NUCLEAR
POWER WITHIN IT'S BORDERS SHOULD NOT SEEK TO
DISPOSE OF IT'S WASTE OUTSIDE OF THEM —

IS ENERGY SOLUTIONS A ITALIAN COMPANY?
IF NOT SLAME ON THEM, FOR THE SELLING OF
AMERICA TO THE GREED OF COMPANY BIG WIGS,

LET THE ITALIANS DUMP THEIR WASTE IN THE
COLISEUM AND HAVE ENERGY SOLUTIONS MARKET THAT
DEAL, YEA RIGHT!

N.R.C. NEED TO REJECT THIS LICENSE TO
DUMP IN OUR GREAT STATE, THE WESTERN

DESERT IS THE MOST BEAUTIFUL COUNTRY, ITS
STILL WILD, WE STILL HAVE WILD HORSE, MUSTANGS
WHY WOULD WE WANT TO DESTROY OUR ENVIRONMENT
YOUR ETHIC AND MORAL DUTY IS AT STAKE, VOTE NO!

RESPECTFULLY,

MR & MRS LIBAZZI
