Re: License 13-26017-01
Regional Services Corp.
Greenwood, IN 46143

To Whom It May Concern:

This letter serves as a request to replace Mr. Joel B. Markland as Radiation Safety Officer ("RSO") with Douglas A. Opell, LPG as the new RSO for license number 13-26017-01. Mr. Opell recently attended training with Cline's Technical Services (Amanda, Ohio) on March 12, 2008. The training addressed the nuclear gauge operator and safety training for the above referenced license as well as noted RSO duties.

Also, the supervising personnel will change from Mr. Mark Richards, PE to Mr. Brian Hart, PE of Regional Services Corp. ("RSC").

Please contact us at (317) 865-8096, should you have any questions.

Sincerely,

Douglas A. Opell, LPG
Geologist

Brian Hart, PE
President
