Subject: Please Deny EnergySolutions' Import Application (IW023) submission

Please copy and paste some or all of the above message into the text box below : Dear Office of the Secretary and Gov. Huntsman, Please deny Energy Solutions' request to import 20,000 tons of Italian nuclear waste into the US.

It would set a dangerous precedent for the US to become the world's nuclear waste repository at a time when our own low-level waste disposal capacity seems uncertain. Also, the transportation of this waste presents an extremely unacceptable risk to our health, safety and national security.

I urge you to reject the application submitted by Energy Solutions.

Thank you,
Caroline Gleich
