Re: Clarification on 23Jan08 Amendment **CC:**
Request for Lic. No. 34-00507-16

Urgent For Review Please Comment Please Reply Please Recycle

● **Comments:**

Ms Simmons,

The Glenn Research Center (GRC) did not take possession of the "Activated Control Rods" under its byproduct materials license (34-00507-16). Rather, possession of these items was maintained under their reactor license until the rods were received by the Nevada Test Site in mid-January.

Please contact me if you have any questions.
