Whittaker Corporation
 Attention: Mr. R. Robie, Comptroller
 Nuclear Metals Division
 West Concord, Massachusetts 01781

Docket No. 70-82

Gentlemen:

This refers to the inspection conducted by Mr. Lorenz of this office on December 14, 1971, of the operations authorized by AEC License No. SNM-65, and to the discussion of our findings held by Mr. Lorenz with Messrs. Robie and Ferella of your staff at the conclusion of the inspection.

The area examined during this inspection was limited to records of transfer of scrap special nuclear materials. Within this area the inspection consisted of selective examination of procedures and representative records, interviews with plant personnel and observations by our inspector.

Within the scope of the inspection, no items of noncompliance were observed.

No reply to this letter is necessary; however, should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Very truly yours,

James P. O'Reilly
 Director
