8-9-07

Mr. William Brach, Director  
Division of Spent Fuel Storage and Transportation  
Office of Nuclear Material Safety and Safeguards (NMSS)  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555

Dear Mr. Brach:

In accordance with the Memorandum of Understanding between our Agencies, I request that you review German Certificate of Approval No. D/4365/AF-96 for the ANF-50 package and make a recommendation concerning our revalidation of the package for import and export use. To assist you in your review, I have provided a hard copy and an electronic copy of the German Certificate of Approval and the Safety Analysis Report for the package.

Since our applicant desires to use this package in upcoming shipments, we request you provide an estimate of the time needed to complete your review. If you have any questions or need any additional safety information, please feel free to contact me at (202) 366-2993.

Sincerely,

Richard W. Boyle, Chief  
Radioactive Materials Branch  
Office of Hazardous Materials  
Technology
