Dear Dr. Whitlam:

During our visit to your office on December 10, 2007, we discussed several topics associated to Cultural Resources in the AREVA Inc., area. Cultural and Archeological data were shown in a series of Geographical Information System (GIS) maps. We are requesting the GIS maps that include archeological site and sites of tribal interest. This is regarding compliance with the National Historic Preservation Act of 1966, Section 106 consultation process.

If you have any question please contact Ms. Jeannette Arce of my staff by telephone or by e-mail at jxa7@nrc.gov. We will appreciate your attention in this matter.
