Ms. Laurie Kauffman  
U.S. Nuclear Regulatory Commission, Region I  
475 Allentown Road  
King of Prussia, PA 19406-1415

Subject: **Environmental Information Report**

Reference: Letter, J.F. Conant (ABB) to L. Kauffman (NRC), dated January 29, 2008

Dear Ms. Kauffman:

The Reference letter submitted ABB Inc.'s (ABB) Decommissioning Plan (DP) Revision I for NRC review and approval. As discussed on the telephone with Mr. James Schmidt on February 26, 2008, we are submitting the enclosed Environmental Information Report (EIR) in lieu of "An Applicant's Environmental Report in accordance with 10 CFR 51.45...", which was incorrectly cited in the Reference letter. This EIR submittal serves to provide environmental information to the NRC, as committed in the Reference letter, in support of its review of ABB's DP Revision I.

If there are any questions or comments regarding this matter, please do not hesitate to contact the Radiation Safety Officer, Heath Downey, at (207) 939-5560 or me at (860) 285-5002, or by E-mail at [john.conant@us.abb.com](mailto:john.conant@us.abb.com).

Sincerely,

ABB INC.

John F. Conant  
Senior Project Manager
