Good Morning Marjorie,

I just wanted to let you know that the EA for Whittaker has been passed to me for leading the review. Quehanna is eating up a ton of my time right now, but I will squeeze this Whittaker review in as quick as possible. At a glance it looks pretty straight forward. Barring any delays in obtaining comments from our regional office, I expect to have comments to you in a week or two.

Your email to Bob Maiers indicated that the FSSP has not been entered in ADAMS yet. If it is in ADAMS, please let me know the accession number so I can take a look. If it hasn't made it to ADAMS yet, I guess you can try the fax. I'm not sure how many pages the fax machine can handle, but we can at least give it a work out. The fax number here is 717-783-8965. I'll get on this as quick as I can. Thanks.

Bryan
