Tom:

This email is in reference to the voice message I left earlier. In summary, I would like to have ORISE review a Draft Final Status Survey Plan for a section of the Whittaker Corporation's site. This Section 2 FSSP was submitted as an amendment request. I will be asking ORISE to perform confirmatory surveys following Whittaker's performance of this FSS, so it would be good to get their comments on the plan.

The TAC number for the amendment request is U01654.

Please let me know how to go about sending this document to ORISE and getting their support.

I appreciate your help!
Marjey
