Scott:

I Fed Ex'd the FSSP and some related documents today. They should arrive Tuesday. The FSSP is in ADAMS, ML060300532. The Fed Ex package has a hardcopy of the FSSP, as well as comments we had on the first version they sent in (ML052910472), their response to our comments (ML053190091), and also Pennsylvania's comments and our response to them (not yet in ADAMS).

I appreciate your help. And thank you, Tom!

Marjorie

Your files are attached and ready to send with this message.

Scott:

Attached is RFTA 06-005 for a review of a draft FSS Plan for the Whittaker site in PA and preparation for 2 surveys. The PM (Marjorie McLaughlin--no relation but a very nice person with a great last name) needs some quick help in reviewing the initial Plan as it is part of a licensing action. The TAPM is out today but everyone else has signed the RFTA. I will FAX the completed RFTA next Tuesday but please start on the spending plan as soon as possible. Marjorie will send you the Plan for review (or give you an ADAMS number if appropriate). Thanks for your help.
