Marjorie:

The Monthly Status Report (MSR) for the month ending 4/30/06 will be going out today and the listing of recipients will remain the same. I have not heard anything new from Ashley Wilson at Whittaker regarding the Access Agreement. I will contact her early next week to get an update.
Have a great holiday!

Thank you for the update. I have one additional request as well. When Rich Moss was the EnergySolutions Whittaker PM, he sent a monthly email update, of which I was a recipient. If you will be continuing this method of informing interested parties of site activities, could you please keep me as a cc?

Thank you,
Marjorie

Marjorie:

I spoke to Ashley Wilson at Whittaker yesterday afternoon concerning the Access Agreement between Whittaker and Greenville Metals. At this time it looks like the two outstanding issues have been resolved and the agreement should be signed shortly. As soon as I get the word that it is signed I will let you know.
