Subject: ACKNOWLEDGEMENT OF REQUEST FOR INFORMATION FOR CONTROL #141314

Dear Ms. Beardsley:

We are in receipt of your letter dated March 11, 2008, which requests additional information regarding our application for new license control No. 141314. We thank you and the NRC Staff for the time you have spent on the review. We are currently developing our response with a goal of having our response submitted to you within the 30 day window beginning March 11, 2008. Should we not make this schedule, please accept this letter as evidence of our continued interest un pursuing the License.

We thank you very much for your review of our application and look forward to discussing any questions you may have regarding our response. If you have any questions please contact Bruce Dionne, CHP (800-225-0385 x1241) Chris Messier (x1300) or me (x1286.)

Sincerely,

Jerry W. Hiatt, CHP
Executive Vice President – ESH&Q
Chief Technical Officer
