Re: Freedom of Information Act Request

Dear Sir or Madam:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the regulations of the United States Nuclear Regulatory Commission, 10 C.F.R. Part 9, I request access to all documents in the possession of the commission relating to FOIA/PA request number 2003-0275. According to the commission's list of Closed Appeals and FOIA/PA Cases for fiscal year 2003, as made publicly available on the commission's website, FOIA/PA request number 2003-0275 was received by the commission on May 6, 2003 and was closed on June 20, 2003. Such request relates to "Gulf Nuclear Inc. or Gulf Nuclear of Louisiana Inc. and former owners of Odessa, TX, Webster, TX and Houston, TX sites, permits, compliance, enforcement and operational files."

I request that these documents be made available for inspection at the commission's office prior to copying. We will be responsible for any related search or copy costs related to this request.

If you deny all or any part of this request, please cite each specific FOIA exemption that you contend justifies your refusal to release the information and notify me of the appeal procedures available under the law.

Please contact me if you have any questions or if you would like to discuss this request further. Thank you for your assistance.

Sincerely,

Fredricka S. Dorroh
