Subject: Whittaker Blending Amendment Request/Follow-up call with TX

Derek,

We had the call with State Programs. Our next action is to contact TX to have a better understanding of their comments and to obtain any clarifications based on WCS view that the TX site does not apply.

State Programs does not believe we should take a firm position on this matter, before we communicate with TX. They also suggested that you and perhaps a DWM&EP management rep also be on the call to hear the state's position.

I believe you have the details for the call, but if you do not:

Time 10:00 A.M.
 Call 301-231-5539 or 800-638-8081
 Passcode (b)(2)High

Marie
5205

Also note that Jim Kottan (5214) is the contact person for this project this week while Marjie is out.
